

A calm tutor
in your pocket.

Practise Dutch — **for free**

For every child on Saba — and everyone who wants to learn Dutch.

Fifteen minutes a day — really understand what you learn.

- ✓ **Reading, maths and language** — in simple Dutch, with a read-aloud button.
- ✓ Got it wrong? The app **explains it in easier words** — until it clicks.
- ✓ A **new question every day**, with a friendly explanation.
- ✓ **Printable workbooks** — great when internet is slow.
- ✓ **No ads.** We never sell your data. The basics are free — guaranteed through 2031.

leerkwartier.app

Works on any phone, tablet or computer — nothing to install.

Code **SABA2027** unlocks the extra family features, free through 2027 (first 50 families).

Shared in cooperation with the Queen Wilhelmina Library — The Bottom, Saba. Together we make sure every child can practise for free.
